Beloved,

**ACSI WEST AFRICA ROUND TABLE**

Greetings and blessings in the name of our Lord and Saviour Jesus Christ.

On behalf of ACSI West Africa (*English Speaking*), I write to invite you to a Round Table on the transformation of our nations through Christian Education. Christian Education is about seeking God’s Kingdom by raising disciples unto Jesus through schools.

The Association of Christian School International (ACSI) is an interdenominational body with a vision to promote Christian Education and provides training and resources to Christian schools and Christian educators, resulting in;

- Schools that contribute to the public good through effective teaching and learning and that are biblically sound, academically rigorous, socially engaged, and culturally relevant; and
- Educators who embody a biblical worldview, engage in transformational teaching and discipling, and embrace personal and professional growth.

Our mission is to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire students to become devoted followers of Jesus Christ.

God has called the church to raise unto him Godly seed and by implication raise generations of children (*Psalms 22:10, Malachi 2:15*) that will transform our nations as they take their places as Christian men and women in Commerce, Industry, Politics, Education, Agriculture. Medicine, Law etc
