Enabling Christian

Educators and Schools

Worldwide

Dear Administrator:

We want to take this opportunity to thank you for being a member of the Association of Christian Schools International (ACSI). We appreciate your commitment to us and count it a privilege to serve you as we work together to train the next generation of young people for the Lord Jesus Christ.

As the second decade of the twenty-first century begins, ACSI is seeking new and improved ways to provide resources, services, and benefits to all member schools. We are continuing to explore ways to strengthen our relationship with you and your school staff and ways to be a valuable source of assistance and encouragement. We all know that the needs of students constantly change. As a result of your observing this reality, you have no doubt implemented changes in your ministry to meet those needs. In the same way, ACSI is committed to reviewing and evaluating each of our programs and services to provide you with the best possible resources.

Because of a number of comments we received from administrators and directors, we have adopted one major change, and we anticipate several more in the coming years. The most significant change you will see over the next several years is in the area of membership. We are researching and designing new ways to enroll and renew schools' membership in the association. One of those ways is an auto-renewal program that we are preparing for this next school year. We believe this new process will simplify the renewal process for all schools and for ACSI as well. Instead of sending you a renewal form to complete, we will simply invoice your school for your membership on the basis of the school's enrollment number from the prior year.

In the next two or three years, you will be seeing other improvements and additions to our membership program, as well as new and exciting benefit enhancements for schools, administrators, directors, and teachers. We will communicate these changes in advance to you, so continue to watch your mail and e-mail, and regularly visit our website at www.acsi.org (select *School Membership* under the Join tab).

Once again, it is a privilege to partner and serve with you. I hope that you will be excited and encouraged by what ACSI is doing in order to support your school. May the Lord bless you as you faithfully serve Him.

In His service,

David M. Ray
